RENEWABLE ENERGY

Lined Mag Drive

ANSIMAG

- Sustainable Lithium
- Carbon Capture
- Non-Metallic ANSI
- Centrifugal Mag-Drive
- Horizontal & Vertical Dimensions

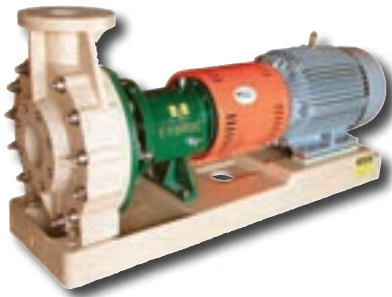

Mag Drive

HMD

- ANSI & API-685
- 316SS, Hastelloy C
- Sealless Mag-Drive Centrifugal
- Temp Range from - 150° F to 600° F
- Demining
- Plastic Pyrolysis
- Carbon Capture

Corrosion Resistance

CECO Fybroc

- Sustainable Lithium
- FRP Wetted Materials
- Brine Pumps
- Fiberglass Reinforced Polymer (FRP) Pumps
- Horizontal & Vertical Configurations

Solids Handling

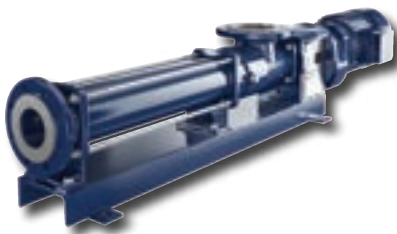

WATSON MARLOW PUMPS

- Slurry/Solids Handling
- Peristaltic Hose Pumps
- Metering Pumps

RENEWABLE ENERGY

Low Shear

SEEPEX

- Low Shear Conveying
- Progressive Cavity Pumps
- Flows to 2,200 GPM @ 700 PSI
- Metering, Open Hopper, and Hygienic Pump Options

API-675 Pumps

MILTON ROY

- Process Pumps In Renewable Diesel
- Treatment/Injection Pumps in Pre Treatment Unit.
- API-675 Metering Pumps to 4000 GPH
- 10:1 Turndown with +/- 1% Accuracy
- Leak Proof Process Pumps to 75 kW

Pump Packages

- Complete Pump Packages
- Customization
- In-house Fabrication

Hydrogen Fueling

Sundyne

alton pump, inc.
HOUSTON, TEXAS, USA

Custom Packaged Systems Include:

Specification Review, Detailed Proposals, Engineering Design

- Pump/Motor Selection
- Instrumentation
- Electrical
- Control Systems
- Advanced CAD Technology
- Structural Calculations

Applications

- Methanol & Glycol
- Corrosion Inhibitor
- Biocides
- Scale Inhibitor
- Paraffin Inhibitor
- Oxygen Scavenger
- Hypochlorite
- Pour Point Depressants
- Demulsifiers
- Water Treatment Chemicals

Project Management

- Communication
- Project Scheduling
- Procurement
- Project Review/Recommendations
- Drawing & Data Submittals

Aftermarket Support

- IOM Manuals
- Field Service
- Support
 - Spare Parts
 - Repairs
 - Technical Assistance

Manufacturing

- Fabrication
 - Structural Steel
 - Tanks/Pressure Vessels
 - Piping Systems
- Machining
- Assembly
- Coating

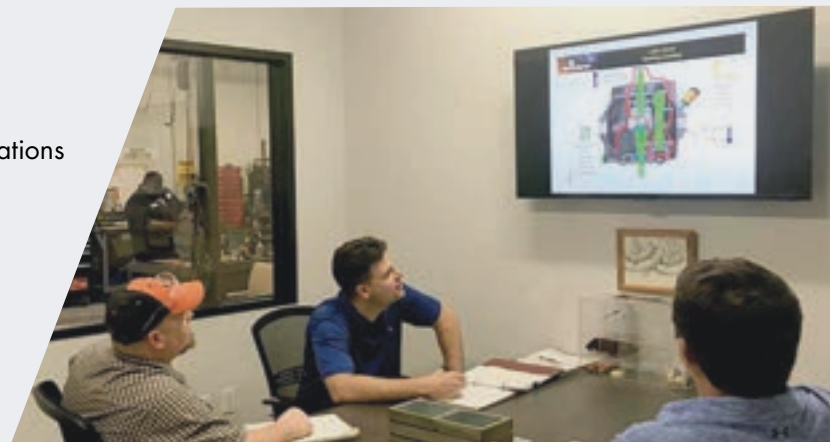

Quality Assurance

- Welding Procedures/Qualifications
- Witnessed Inspection/Testing
- Material Documentation
